

Slider Rave XB red

Ballpoint pen with Viscoglide® technology for extraordinarily easy, gliding writing, extra broad line width (XB). Writing colour red. The replaceable giant refill Slider 755 XB with wear-resistant stainless steel tip guarantees that the large ink supply can be fully used and does not smear. The ink dries quickly - even on smooth paper - and is smudge proof when highlighting it later on. Thanks to the clever Plug+Play system, the Slider Rave can use a variety of refill formats. The ergonomically shaped, generously rubberised barrel promotes tireless and relaxed writing without hand fatigue. With a sturdy metal clip.
