for everyday life

## NEW SSD MODELS

Exceptional performance meets rugged elegance

# TX100

The Intenso TX100 is built to last, thanks to its rugged rubberized surface. No more worrying about accidental slips or bumps; your precious data is safely shielded.

The TX100 comes in a range of options, from a nimble 250GB for those on the go, to a capacious 2TB for your grandest digital adventures. To top it off, we've equipped the TX100 with a Super Speed USB 3.2 Gen. 1x1 interface, ensuring blazing-fast data transfers at up to 500 MB/s. Whether you're a creative professional working with massive files or just looking to back up your cherished memories, the TX100 won't keep you waiting.

We understand that convenience is key which is why we've included both USB-C to USB-C and USB-C to USB-A cables with your TX100. This ensures seamless connectivity to a wide array of devices, making your life simpler. Elevate your storage game and say goodbye to sluggish data transfers with the Intenso TX100 – the perfect blend of reliability, speed and style that you've been waiting for!

Capacity	ARTICLE NUMBER	EAN
